Venue :

Sri Rajendra Centenary Auditorium
JSS Hospital, Mahatma Gandhi Road,
Agrahara, Mysuru 570 004

About the Organisation

Jagadguru Sri Veerasimhasana Mahasamsathana Math, Suttur Srikshetra, Mysuru District, is one of the foremost Math, committed to the cause of social and spiritual welfare of the people, has a long history of over one thousand years. The activities of the math acquired a totally new dimension with the establishment of JSS Mahavidyapeetha in 1954 by the 23rd Pontiff, His Holiness Jagadguru Dr Sri Shivarathri Rajendra Mahaswamiji. He firmly believed that education excellence is the only panacea for all social evils. With this conviction, he started several schools and hostels across Southern Karnataka, which offered free education and food to thousands of students from poorer sections of society.

JSS Mahavidyapeetha, a not-for-profit organization, over seven decades, is providing quality education from kindergarten to post doctoral levels in all streams of knowledge including technical, medical, advanced research facilities and skill training. Two Universities ; one relating to Science and Technology and the other related to Medical and Allied Sciences are working under JSS Mahavidyapeetha. His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the present and the 24th pontiff is actively oversees the activities of JSSMVP, which has more than 350 educational institutions spread all over India and abroad. Apart from the contribution to education, JSS Mahavidyapeetha has also given due importance in promoting health care through modern and traditional medicines.

JSS Ayurveda Medical College was established in 1996 under the aegis of JSS Mahavidyapeetha, Mysore. The institution is recognised by National Commission for Indian System of Medicine, New Delhi and affiliated to Rajiv Gandhi University of Health Sciences, Bengaluru, Karnataka. This institution is being imparted degree course of BAMS (5 and ½ years degree course) and Post-Graduation degree courses (MD / MS (Ayu)) in 10 specialities and Ph.d in two subjects. The college is under the process of getting NAAC accreditation with all infrastructure for educational training and research work.

The 250 bedded JSS Ayurveda hospital is a teaching hospital, accredited to NABH since 2017 is having all facilities for patient care and clinical research, delivering quality health care services for the health seekers.

Campus is spread across large 15 acres area, which is situated in the serene outskirts, under the foothills of Chamundi hills. Since its inception in 1996, JSS Ayurveda Medical College has been one of the premier Ayurveda institutions in the country providing excellent academic delivery, research and infrastructure to its students. The institution is also provides Research and other activities and programs which creates more significant opportunities for all round development.

In keeping with public health priorities of the current times, JSS Mahavidyapeetha started an Interdisciplinary Research Unit with Ayurveda & Modern medicine to increase research and interdisciplinary activities in the health sciences carrying out several research activities.

In connection with Prime Minister's Vision of Integration of Medical systems by 2030, JSS Ayurveda Medical College conducted Integration Conclaves on Neurological disorders, Infertility and cancer involving multi-disciplinary experts under one roof. In continuation of these efforts, a National Conference is organising on Integrated Care in Neurological Disorder on 8th and 9th June 2023.

Theme of the Conference

PRAAYENA PAVANAH PRABHUH,' Vata is the supreme among the three Doshas. It is the prime force or leader attributed to numerous physiological including neurological functions. The pathological conditions caused by vata are innumerable & so are the neurological disorders. Thus, vata must be taken care of with utmost importance while treating neurological disorders. Understanding and management are challenging for the medical fraternity. As some neurological disorders are acute, they need emergency treatment in terms of brain & spine surgeries or care in the medical ICU. Whereas sub-acute and chronic Vata vyadhi/Neurological disorders with persistent deficits after surgery and ICU care can be managed through selective Ayurvedic Panchakarma therapies, oral medications, Physiotherapy, Speech & hearing, and Nursing care.

Physiotherapy in Neurology and Neurosurgery is a specialised area focused on the rehabilitation of individuals who have suffered impairment caused by neurological conditions due to the effect on the functioning of the brain, spinal cord, and nerves. Stroke, head injury, spinal cord injury, Parkinson's disease, and other movement disorders, Guillain-Barre syndrome and peripheral nerve injuries are common neurological conditions that physiotherapists rehabilitate. The physiotherapists work in close partnership with the other interdisciplinary team members. They will aim to provide interventions designed for individuals with a personalized goal-oriented target.

Speech Language Pathologists (SLPs) diagnose and offer therapy for speech and language impairment (Apraxia, Dysarthria, and Aphasia) and swallowing issues in Neurological disorders. SLPs are also involved in Alternative Augmentative communication in patients who fail to communicate through Speech after a stroke.

Nurses are involved in the physiological monitoring and maintenance of homeostasis initially and in later phases, promoting the development of coping and adaptation strategies through a mix of emotional support and the integration of rehabilitation into routine activities and care for patients with Neurological disorders.

This National Conference is intended to highlight the need for a multidisciplinary or integrated approach to manage Neurological disorders. As our Hon'ble Prime Minister Sri Narendra Modiji said, "My vision is an integrated healthcare system that builds on the best of different traditions". Also, the theme of G20 2023 hosted by India is "Vasudaiva Kutumbhakam – one earth, one family, one future," which also supports integrating different health systems to work together as one.

Thus it is planned to make it a significant event that brings together the experts from the field of Neuro medicine, Neurosurgery, Ayurveda, Physiotherapy, Speech & hearing, and Nursing to share & explore the need for integration in Neuro care.

This conference is open for practitioners, academicians, PG scholars, interns & UG students of different systems of medicine.

Programme Schedule

8th June 2023 - DAY 1	
Theme of the Day	
Stroke & Degenerative Disorders	
TIME	EVENTS
08.00AM – 09.30AM	Registration & Breakfast
09.30AM – 10.15AM	Scientific Session 1
10.30AM – 11.30AM	Inauguration
11.30AM – 11.45AM	Tea Break
11.45AM – 12.30PM	Keynote Address
12.30PM – 01.15PM	Scientific Session 2
01.15PM – 02.00PM	Lunch
02.00PM – 02.45PM	Scientific Session 3
02.45PM – 04.15PM	Scientific Session 4
04.15PM – 04.30PM	High Tea
04.30PM – 08.00PM	Faculty / PG / UG Presentation
08.00PM Onwards	Dinner
9th June 2023 - DAY 2	
Theme of the Day	
Brain & Spinal Injuries and Tumours	
TIME	EVENTS
08.00AM – 09.30AM	Breakfast
09.30AM – 10.15AM	Scientific session 5
10.15AM – 11.00AM	Scientific session 6
11.00AM - 11.15AM	Tea break
11.30AM – 12.15PM	Scientific session 7
12.15PM – 01.00PM	Scientific session 8
01.00PM – 02.00PM	Lunch
02.00PM – 03.00PM	Panel discussion
03.00PM – 04.30PM	Valedictory programme
04.30PM – 05.00PM	High Tea

Organising Committee

Chief Patron

His Holiness Jagadguru **Sri Shivarathri Deshikendra Mahaswamiji**
Jagadguru Sri Veerasimhasana Mahasamsthana Math, Sriksheethra Suttur

Patrons

Dr. C G Betsurmath, Executive Secretary, JSSMVP
Dr. M K Ramesh, Honourable Vice Chancellor, RGUHS, B'lore
Dr. Surinder Singh, Honourable Vice Chancellor, JSS AHER
Dr. B. Suresh, Honourable Pro Chancellor, JSS AHER

Advisors

Sri R. Mahesh, Director, Med. Education, JSSMVP
Dr. Basavana Gowdappa H, Principal, JSS Medical College
Dr. Kavitha Raja, Principal, JSS College of Physiotherapy
Dr. Suma. R, Principal, JSS College of Speech & Hearing
Smt. Ashwathi Devi, Principal, JSS Nursing College
Smt. Renukadevi, Principal, JSS School of Nursing
Dr. Rajesh A. Udupudi, Dean JSS AMC
Dr. B. Gurubasavaraja, Senior Prof. JSS AMC

Chairman

Dr. Sarbeswar Kar, Principal, JSSAMC&H, Mysuru

Organising Secretary

Dr. Veena G Rao, Professor & Head Dept. of PG Studies in Panchakarma, JSSAMC&H, Mysuru

Co - Ordinators

Dr. Seetadevi P Associate Professor, Dept. of PG Studies in Panchakarma
Dr. Jyoti Associate Professor, Dept. of PG Studies in Panchakarma
Dr. Manasa S D Assistant Professor, Dept. of PG Studies in Panchakarma
Dr. Vineeth C P Assistant Professor, Dept. of PG Studies in Panchakarma
Mr. Sandeep P H, JSS College of Physiotherapy, Mysuru
Dr. Niharika, JSS ISH, Mysuru
Mr. Nagendraswamy, JSS CON, Mysuru

Eminent Speakers

This conference is aiming to highlight the need of multi disciplinary or integrated approach in the management of neurological disorders by eminent speakers. Following experts will enlighten us with their extensive knowledge and experience.

Key note address by
Prof. Bhushan Patwardhan
Chairman
Interdisciplinary AYUSH R&D
New Delhi

Dr. Harsha S
Prof. & Head
Dept. of Neuro Medicine
JSSMC&H, Mysuru

Dr. (Col) T S Vasan
Prof & HOD Neurosurgery
JSSMC&H, Mysuru

Dr. Umesh V. Purad
Principal
D.G.M. AMC
Gadag

**Prof. (Dr.) Anandaraman
Sharma P V**
Medical Superintendent & Head
Department of Panchakarma
All India Institute of Ayurveda, New Delhi

Vaidya Narendra Pendse
Chief Medical Advisor
IAIM Hospital, Bangalore.

Dr. Veena G. Rao
Prof. & Head, Dept. of PG Studies in
Panchakarma
JSSAMC&H, Mysuru

Mr. Sandeep P H
Head
Dept of Community Physiotherapy
JSSCPT, Mysuru

Mrs. Shruti Patil
Head
Dept. of Neurophysiotherapy
JSSCPT, Mysuru

Dr. Suma R
Principal
JSSISH, Mysuru

Mr. Guna Sagar
Speech Language Pathologist
JSSISH, Mysuru

Prof. Usha M. Thomas
Professor & Head
Dept. of Nursing Foundation
JSSCON, Mysuru

Dr. Anitha V N
Head
Dept. of Medical Surgical Nursing
JSSCON, Mysuru

Call for the Papers

Delegates also get an opportunity to present their research work and review articles as oral or poster presentations at the conference. Each presenter will be awarded a certificate.

- A delegate is allowed to present either one oral or one poster presentation.
- For oral presentation, 4 + 1 minutes of time will be allotted.
- For poster presentation, the poster dimension should not be more than 90cms X60cms.
- The poster's concepts should be in the schematic or pictorial presentation.

Topics for Presentation:

1. Ayurvedic understanding of neurological disorders.
2. Any assessment, case study, or original research study pertaining to neuro care under allopathy, ayurveda, physiotherapy, speech & hearing & Nursing.
3. Role of panchakarma in the management of neurological disorders.
4. Shamanaushadhi in the management of neurological disorders.
5. Rasaushadhi in the management of neurological disorders.
6. Recent advances in the investigation tools for the diagnosis of neurological disorders.
7. Physical examinations and scoring & grading system in specific neurological disorders.
8. Integrated neuro care in post-surgical cases.
9. Critical analysis of pathya & apathya (dietetics) in neurological disorders.

Dr. Seethadevi P +918431444499

Guidelines for Submitting an Abstract

- The title of the abstract should be as precise as possible, appear in bold, upper case letters, and be centered.
- Co-authors and affiliations below the title in italics (the main and presenting author's name should be underlined).
- Abstracts should be sent in MS Word document with not more than 300 words with the main body of text left aligned, single spacing throughout with Times New Roman font size of 12.
- For poster presentation, along with abstract also send a soft copy of the poster in JPG format. Please include the full address and contact details of the principal author and the presenting author in the Email and indicate whether you are submitting an oral or a poster presentation.
- Each properly completed submission will be reviewed for its scientific merit and significance, and the scientific committee reserves the right to accept it.
- Best oral and poster presentations will be awarded. Abstracts selected for presentation will be published in the Conference Souvenir.
- Last date for sending abstract – 15th May 2023
- Abstract should be sent to the Email – jssunnati2023@gmail.com

About Mysuru

Mysuru is a metropolitan city, the third largest & populous city in the State. It is popularly known as the “City of Palaces”, the “Heritage City”, “Cultural capital of Karnataka” etc. Mysuru is one the most famous tourist attraction place in India. The city is known for its Palaces, Gardens, Museums, and scenic beauty. The Dasara festival triumph is world famous. The Wodeyar dynasty ruled over the erstwhile Kingdom of Mysuru from 1399 to 1947. It is the only royal family in India that has ruled over a kingdom for more than 500 years. The rule of this royal family extending over five centuries was headed by a large number of royal Kings (about 25).

It is proud to mention that Mysuru bagged the tag of ‘Cleanest City in India’ twice as per the survey. Moderate climate throughout the year, and in the month of June climate will be pleasant, as it is the beginning of rainy season and slight drizzling may be expected. In day time temperature will be 25-27C at night it will be 22-24C. Mysuru is well-connected by road from Bangalore, Mangalore, Chennai, Pune, Coimbatore, Ooty, Kozhikode, Kannur and Panaji (Goa). Buses are frequently connecting different parts of the city and auto-rickshaws and the tongas (horse-drawn carriages) are equally popular. Local sightseeing options in Mysuru are Mysuru Palace, Jaganmohan Palace, Brindavan Gardens, Chamundi Hills, St. Philomena’s Church, Mysuru Zoo, The Art Gallery, Rail Museum, Ranganatittu Bird Sanctuary, Karanji Lake Nature Park, Kishkindha Moolika Bonsai Garden & Shukavana at Sacchidananda Ashrama etc. Travelling distance to Conference venue (Sri Rajendra Centenary Auditorium, JSS Hospital, Mysru) from City Railway Station **4.5 km** and from Suburb Bus Stand **3.1 km**.

Registration Details

Category	Registration fees	Spot registration
UG Student/ Interns	1000/-	1200/-
PG Scholars	1500/-	1700/-
Teaching faculty/Practitioners	2000/-	2200/-

Registration fee should reach the organizers through banking on or before 25th May 2023.

Mode of Payment

Name : Principal, JSS Ayurveda Medical College, Mysuru.
Event : UNNATI 2023
Account Number : 5072000100068501
IFSC Code : KARB0000507
Branch : Siddhartha Nagar, Karnataka Bank, Mysuru.

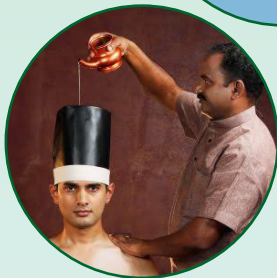

For Registration Details Contact

Registration Fee Does Not Include Accommodation.
